

PORTABLE PADEL · AP-E04

ALTA EVENT COURT

A regulation padel court that goes up in days, comes down just as fast, and moves on to the next event. For rent or purchase.

PREPARED BY ALTA PADEL · DOCUMENT REF AP-EVENT-2026 · REVISION 1

CONTENTS

WHAT'S INSIDE

The Event Court is the fifth court in the Alta Padel range, alongside the AP-I01 Super Panoramic Indoor, AP-P02 Panoramic Outdoor, AP-P02 HW Panoramic High Wind and AP-X03 Extreme Wind. It is the only one built to be taken down and moved, and the only one we rent as well as sell.

RENT IT OR OWN IT

Book the Event Court for a weekend, a season or a tournament, with or without our team running it, or buy courts outright for your own events program. Pricing, availability and lead time are confirmed on your quote.

ABOUT ALTA PADEL

PADEL, ENGINEERED PROPERLY.

Alta Padel is a new name in padel court supply, built by a team with more than thirty years of combined experience in the racket sports industry. We have spent that time on courts around the world, watching what holds up and what doesn't, and we started this company to put those lessons into a single build standard: engineer every element to the highest available specification, source it from partners we trust, and build courts made to perform for the long haul.

30+ Years

RACKET SPORTS EXPERIENCE

Combined industry experience across design, manufacturing and distribution, brought together under one roof.

Global

SUPPLY NETWORK

Partnered with vetted facilities worldwide, sourced through a supply partner we trust.

Built to Last

ENGINEERED STANDARD

Structure, glass, turf and lighting specified to competition-standard tolerances.

We're new. What we've built isn't — it's the product of three decades spent learning what a padel court should be.

Built with Newlands Group

Alta Padel is a new company. The supply behind it is not. Every Alta Padel court is supplied through our supply partner, Newlands Group, set up in Hong Kong in 2017 by a family with a history in sourcing going back to 1973. Newlands works directly with vetted factories across Asia, and its padel division has delivered this court platform to clubs in five countries. Alta Padel brings that platform to the United States, built and documented to US standards.

Since 1973

FAMILY HISTORY IN SOURCING

Newlands Group, our supply partner, set up in Hong Kong in 2017.

5 Countries

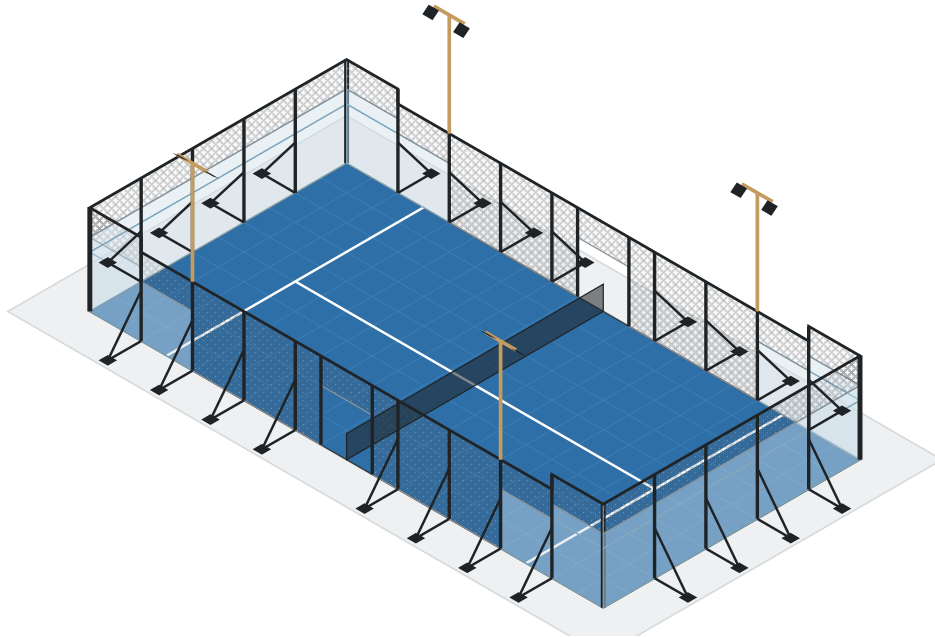

MARKETS SERVED

UK, Ireland, Australia, USA, Hong Kong.

01 MODEL · AP-E04

A REGULATION COURT BUILT TO TRAVEL.

3D VIEW – ILLUSTRATIVE

Full competition geometry on a portable frame that goes up without a foundation and leaves the ground as it found it. Built for shopping centers, hotels, festivals and brand activations that want real padel for a few days or a few weeks.

No foundation

SITS ON THE SURFACE

Ballast or anchoring set for each site.

Regulation

FULL-SIZE PADEL

Competition geometry, played like any Alta court.

Rent or buy

ONE COURT, MANY EVENTS

Delivered, installed and removed by our crew.

SPECIFICATION AND PRICING TO FOLLOW

We are finalizing the Event Court build with the factory. Enquiries are welcome now, and the full specification and pricing will follow. Tell us the venue, the dates and the format you have in mind and we will come back to you.

02 WHERE IT WORKS

REAL PADEL, ANYWHERE THERE'S ROOM.

The Event Court goes where a permanent court can't: a car park, a mall atrium, a hotel lawn, a rooftop deck or a festival site. It plays like the real thing because it is the real thing — regulation size, competition net, proper lighting.

SHOPPING CENTERS

Footfall, dwell time and a reason to come back.

HOTELS & RESORTS

Seasonal programming without a permanent build.

CORPORATE EVENTS

Team days, client hospitality, product launches.

FESTIVALS & COMMUNITY

Open play, clinics and youth sessions.

TOURNAMENTS

Pop-up competition courts, regulation size.

REAL ESTATE & OPENINGS

Show a development, open a venue, draw a crowd.

BUILT FOR SPONSORS

Branded mesh banners and wall graphics, sponsor integration around the court and hospitality areas alongside it — planned with you before the event, so the court arrives dressed.

03 RENT OR BUY

ONE COURT, MANY EVENTS.

Rent the Event Court for a few days to a few weeks, or buy courts for your own events program. Every rental is delivered, installed and removed by our crew.

COURT RENTAL

The court, delivered and installed by our crew, and removed after the event.

- Court rental
- Delivery
- Installation
- Removal

MANAGED EVENT

Everything in Court Rental, plus the people and kit to run it.

- Event staffing
- Rackets and balls
- Branding
- Tournament operations

SPONSORSHIP ACTIVATION

A court built around a brand, with the event run for you.

- Custom graphics
- Branded walls
- Sponsor integration
- Hospitality areas and event management

BUYING COURTS

Event Courts can be bought outright, singly or as a fleet, for venues and operators running their own events calendar. Alta installs the first deployment and trains your team to set up and take down the court after that.

STAYING LONGER

For installations of more than 30 days, the court can be upgraded toward a semi-permanent build:

- Tempered glass walls
- Artificial turf playing surface
- Enhanced lighting package
- Spectator seating and hospitality areas

TYPICAL BOOKING

Three to thirty days on site. Pricing, availability and lead time are confirmed on your quote, along with anything the site needs before we arrive.

04 SITE & SETUP

WHAT THE VENUE NEEDS READY.

The court needs a flat, firm surface, power for the lights and room around it. We look at every site before the booking is confirmed and tell you exactly what is required.

SURFACE

Suitable	Asphalt, concrete, parking structure decks, rooftop decks, temporary event flooring
Condition	Flat, firm and load-bearing, free of standing water
Decks & rooftops	Load capacity confirmed by the venue's structural engineer
Ground left as found	No drilling, digging or adhesive unless anchoring is agreed for the site

SERVICES & SPACE

Power	Supply for the court lighting, provided by the venue
Operating area	Room around the court for the frame, play-out and staff
Public access	Clear circulation to both entrances
Event perimeter	Clearance agreed with the venue and the event plan

OUTDOOR SITES AND WIND

Outdoors, ballast or anchoring and the court's operating wind limit are set for each site, for engineering review, before the booking is confirmed. If forecast wind exceeds the site limit, the court is closed and secured.

INDOOR OR OUT

Indoors, the court stands on the existing floor. Outdoors, it goes onto any sound hard surface, with the ballast or anchoring set for that site.

PORTABLE PADEL. PREMIUM EXPERIENCES. ANYWHERE.

BRING PADEL TO THE EVENT.

Tell us the venue, the dates and the crowd you expect. We will come back with a site plan, a package and a price.
