

PREMIUM PADEL COURTS

FIVE COURTS. ONE STANDARD.

Zinc-primed steel with a powder topcoat, 12 mm tempered glass and Pro-Tour turf — indoors, outdoors, and engineered for extreme wind. Supplied through a partner with a family history in sourcing since 1973. And for events, a portable court we rent as well as sell.

AP-I01

Super Panoramic Indoor

Minimal steel in the sightline. 42-unit suspended lighting ring at 7 m. Level slab, no ring beam.

AP-P02

Panoramic Outdoor

The standard outdoor court, designed to a 90 mph target. Steel corner posts, 8 x 300 W on four 8 m swan poles.

AP-P02 HW

Panoramic High Wind

The same open court with a heavier head rail, designed to a 110 mph target, built to order.

AP-X03

Extreme Wind

Panoramic at 130 or 150 mph: AP-X03-130 (clamped glass edges) and AP-X03-150 (glass fins). Corner posts only, built to order.

AP-E04

Event Court

Portable and regulation size, with no foundation. For rent or purchase. Specification and pricing to follow.

WHAT WE DO

COURTS, AND EVERYTHING AROUND THEM.

Alta Padel is a padel court supplier built by a team with more than thirty years of combined experience in racket sports. We supply and install courts — and because we have spent that time watching how clubs succeed and how courts age, we also advise on building them and look after them.

COURTS

- Four structural models, indoor to 150 mph
- The Event Court: portable, for rent or purchase
- Zinc primer and powder topcoat; HDG option available
- 12 mm tempered glass, SGCC certified (ANSI Z97.1 / CPSC 16 CFR 1201)
- Pro-Tour spec turf, WPT-spec net
- Full customization and club branding

GROUNDWORKS & INSTALLATION

- Full slab, ring beam and drainage specification
- Free review of your contractor's drawings
- Anchor layout and setting-out drawings
- Around three months from order to site
- Installation by our own crew

COURT CARE — SERVICE

- Prepay 1–5 years at handover, at a discount
- Quarterly, semi-annual or annual contracts
- We service padel courts built by anyone
- Written condition report every visit

CLUB DEVELOPMENT — CONSULTING

- Feasibility, site, design, operations, launch
- Fixed fee per stage, stop at any gate
- Tennis-to-padel conversion assessments
- First conversation costs nothing

THE FULL DOCUMENT SET

Ask for any of these and we will send it the same day.
